Mr. A. Madhava Prabhu *(Diwan Peishkar)*: Sir, I move that Rs 135 under "1—Land Revenue—Temporary Establishment" and Rs 52 under the same head "Dearness allowance" may be sanctioned. Three draftsmen, one on Rs. 60, one on Rs. 40 and the other on Rs. 35 have been recently entertained in the Survey and Land Records office for the preparation of a detailed map of the State. The purpose of appointing this extra staff is for preparing a map of the State showing the various kinds of crops that are cultivated in the several parts of the State, wet land, dry cultivation, irrigated, unirrigated, a map which will show all these things, as in other parts of India. Some of the field sketches prepared at the time of the last survey before the settlement, have become worn out after use of 0 to 45 years. The staff is appointed for one year. For this year, we want only this much for the pay and dearness allowance of the staff. I pray that the amount may be sanctioned.
